I have an update for the applications below. The Safari application can be closed. Safari has exited the state. Dialtone is no longer in business and that docket can be closed. We would request that the Global Connection docket remain open; the applicant is awaiting approval of its compliance plan. We would also request that the 1800 docket remain open to give us time to resolve how to proceed. Please let me know if you have questions. Thanks.

Scott:

We have several old dockets where the matter at hand was either continued, postponed, or the hearing was cancelled. I have listed these below. Please let me know status and what you and/or the other parties want to do with them. They are:

- 1) DN 2012-16-C – 1-800 Collect - Reseller, Alt. Reg. Application;
- 2) DN 2010-274-C – Safari ETC Application;
- 3) 2010-74-C – Global Connection ETC Application;
- 4) 2008-138-C – Dialtone and More ETC Application

Thanks in advance for your help in this matter. Every once in awhile, the Clerk's Office goes on a cleaning rampage. And they will not let me alone until I find out the status of these cases!

Regards,  
David Butler
